# WHAT IS POETRY ?

| | Definition | Example |
|---|---|---|
| **Poetry:** | a type of writing where words are arranged based on their meaning, sound, and rhythm to share ideas | ***Roses are red***<br>***Violets are blue***<br>***Sugar is sweet***<br>***And so are you!*** |
| **Imaginery:** | describing something in a way that makes the reader feel like they can see, hear, smell, taste or feel it | ***The wind chilled me to the bone***<br>***and my teeth chattered***<br>***as my breath swirled in the air.*** |
| **Sound Devices:** | tools that are used carefully in order to create sounds and mood in a poem | ***The slippery snake slithered and hissed through the crunchy leaves.*** |
| **Figurative Language:** | phrases and figures of speech that mean something other than what the words actually said | ***My dad says that mobile phones cost an arm and a leg. He's going to explode when he sees the cracked screen.*** |
| **Form:** | the style of a poem and the way in which it is written, whether it creates sounds, tells a story, has rhythm or makes you laugh | ***There was an old woman who lived in a shoe.***<br>***She had so many children***<br>***She didn't know what to do.*** |
